

Energy Awareness[®]

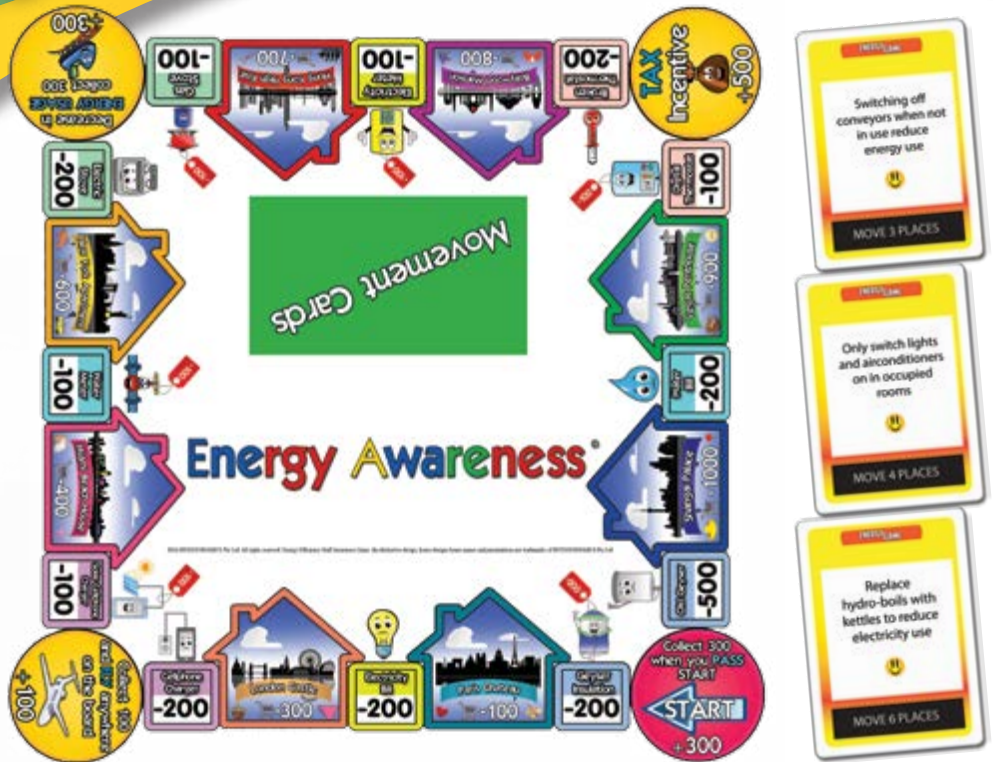

The Board Game

Who can make the best energy saving investment decisions.
Let the game begin!

YOUR ULTIMATE ENERGY AWARENESS TRAINING TOOL

Learning can be fun!
The Energy Awareness Board Game does just that

Read a card with energy awareness messages and see how many places you can move on the board

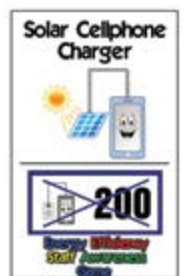

The more you upgrade your house to use less energy, the more you earn in rent

Manage your risk so you don't pay penalties

It comes down to good energy efficiency and energy use mitigation decision making whilst managing your expenses

CROSS FIELD OUTCOMES BASED ENERGY EDUCATION

- ◆ Basic energy efficiency concepts
- ◆ What you apply at home you apply at work
- ◆ Employees get an understanding of what the concepts mean
- ◆ Makes teaching more technical workplace applications easier
- ◆ Get the energy manager's message across to comply with holistic energy management for your company
